# Manufacturers' Outlet Sale

Big stock of high-class wearing apparel for men, women and children to be closed out by us in just five days. Five days of the greatest merchandise movement Snyder has ever known. Eastern manufacturers, hard pressed for funds and overstocked, have turned over to us this big stock of merchandise to be turned into cash as quickly as possible. Just a word from the manager---it is this: If you would buy first-class, high grade wearing apparel for half its worth, be here the opening day and each succeeding day. We have the stock in our hands and it must be sold and sold quickly. You may doubt our word but you cannot doubt the evidence of your own eyes and when you come here you will see that every word we have said is true and that every bargain we have advertised is here just exactly as we have said it would be. Read these offerings, see these goods and get your share while the opportunity lasts
